Dear Parents,

In addition to the Math Packet, you may find fun games they can play online ([www.ixl.com](http://www.ixl.com) is a great website) as well as apps on your iPhone, iPad or smartphones.

The GW Teacher Supply Store, Professor Toy,, and the Dollar Tree have many workbooks and board games designed to make learning fun...it's summer...have fun while learning!

Children should practice number formation, identifying numbers, and counting.

Enjoy your summer...we'll see you in August!
